

QOSTC Tennis Facility Rules and Regulations / Footwear Policy

**QOSTC is extremely proud of our tennis facility
and especially of our new state-of-the-art court lighting.**

**Upon entering the tennis facility you agree to abide
by the QOSTC Rules and Regulations/Footwear Policy.**

**Anyone not following this policy will forfeit
their court time with no refund opportunity.**

**Required by QOSTC management, staff, and
members/patrons that want to keep our facility beautiful.**

Tennis Shoes Only on QOSTC courts! No other shoes, including, but not limited to: Cross-trainers, Running, Basketball, Street/Casual, or other sport shoes will be allowed on the courts! Surprisingly, many recreational players might believe that “sneakers” are actually tennis shoes--- but they are not! Non-Tennis shoes have soles that will scar and mark the new surface. Even if you have regularly played tennis in your running shoes (never a good idea, as they have NO lateral movement support,) please note that you will be unable to play in anything but regulation Tennis Shoes henceforward.

QOSTC Pro Shop (a Wilson & Tecnifibre Dealer) will offer a variety of Mid Cost line Tennis Shoes, as well as a High Performance line (all sizes for the higher quality line.)

Rules and Regulations

- Please understand that all patrons are essentially paying for actual time on court. Don't request additional time from the next group, “Because we're almost done and need to play just a couple more points!” Time really is money for everyone! Likewise, please don't interrupt lessons unless you have a true emergency.
- Arrive for your court time according to your phone/smart watch, and prepare to leave the court on time. Both groups should be passing each other by the curtain “ON-TIME.” NO early peaking into the court!
- Extra court time utilized will be charged as “spot time” in 15-minute increments.
- Non-players are not allowed on the court for any reason unless as part of a special club program, or at the Professional Staff's discretion. Spectators, when on court, must abide by the Rules and Regulations / Footwear Policy.
- Facility abuse or audible obscenities will result in court time forfeiture.
Examples of facility abuse:
 - Wearing shoes other than Tennis Shoes
 - Spitting and/or mucus discharge/gum discarded anywhere other than in the trashcan.
 - Bringing an open container into the facility. For Example: coffee cup, soda can, etc.
 - Tracking in mud or any excessive loose impediments.
- Please carry in your tennis shoes during wet/snowy weather to prevent tracking in dirt and icemelt.
- Proper tennis attire required. No jeans, swimsuits, etc.
- Please turn cell phone ringers to off -or- vibrate when you are on the court.

**Consult the Tennis Professional Staff for any questions regarding tennis etiquette
and club policies.**
