Tax: 7% Admissions & Amusement Tax is added to the court time fees

Refunds: All deposits are non-refundable, unless the time requested is not available.

Insurance: Insurance carriers either no longer provide property coverage for air domes or provide coverage which is cost prohibitive. Consequently, in the unlikely event of a dome failure resulting in lost contract playing time, QOSTC reserves the right to extend the season 2 weeks beyond the May 7, 2023 closing date to account for any lost playing time, in lieu of cash returns.

Closures: QOSTC will make every effort to accommodate contracts losing time due to extended power outages, high winds, blizzard conditions or closures due to any other conditions beyond the club's control.

Temperature: During the winter months QOSTC maintains the temperature at approximately 60 degrees which, after a brief warm-up, is quite comfortable. This ideal playing temperature requires players to wear a light sweater/warm-up for approximately ten minutes after which most players prefer to play in short sleeves and shorts/skirts.

Safety Protocols: The covid-19 safety protocols instituted by the club at any given time, must be followed. Masking inside the clubhouse and on the courts is currently mandatory. The indoor tennis entrance is located on the lower level. The clubhouse is currently closed except for employees.
